
BALLOONS

Beat the record!!!!

There are so many active things you can do with a balloon. Can you do these things?

1. **Keep a balloon in the air for as long as you can by hitting it with your hands.**

2. **Keep a balloon in the air for as long as possible by using as many different parts of your body as you can?**

3. **Balloon tricks – Hit the balloon high in the air and try these tricks:**
   - **Clap your hands behind your back**
   - **Do a star jump**
   - **Sit down**
   - **High-five someone**

   How many tricks can you do?

4. **Team up and hit the balloon to each other without the balloon touching the floor. How many times can your team do this?**
