

## Playground Stencils

### **General Information:**

- Stencils will be leant out to schools for one week.
- Schools must supply their own paint.
- Stencils are to be picked up and dropped off from Sport Southland - Stadium Southland, Isabella Street, Invercargill unless advised otherwise.
- We have tried to cluster schools outside of Invercargill so that schools can 'pass on' the stencils to nearby schools. Please read the schedule carefully to see where you are picking up and/or dropping the stencils off from.

Drop Off	Pick Up
Monday morning by 10am	Monday afternoon from 1pm

### **Equipment Bond:**

A bond will be paid on pick up of the stencils. Schools have the option of using the stencils only and choosing their own method of applying the stencil (e.g. paint brush, roller), or using our electric spray gun. The bond is to cover damage and improper cleaning of the equipment.

Equipment	Bond
Stencils Only	\$50.00
Stencils and Electric Spray Gun	\$100.00

Please make cheques payable to: Sport Southland.

Account Name: Sport Southland  
Account Number: 03-1743-0031355-00

It is important to note that the number one cause of damage to the gun is inadequate cleaning. If you choose to borrow the electric spray gun please read the information sheet before you use it.

The bond will be paid back in full once the equipment is checked and made sure that no damage has occurred.

Please note:

We will still require a bond when schools are picking up equipment from another school. This can be paid for prior to pick up of the stencils by cheque or via internet banking.

**Paint:**

It is your choice whether you wish to order your paint from Russell Hill Paints or to choose another company.

**If you are going to source your own paints please ensure they are WATER BASED only and appropriate for the equipment. Feel free to enquire with us first.**

We have worked in conjunction with Aurora Paints, Invercargill to get the best paint deal possible. This paint is especially formulated so that it will last a long time on asphalt, yet will easily wash off the stencils and spray gun. You will need to order the paint from Aurora Paints 7 days in advance and can pick up the paint yourself from their workshop. Payment on invoice or at time of pick up is sufficient.

**Aurora Paints Ltd** | 117A Crinan Street, Invercargill | phone 03 218 4073

**Price Breakdown**

White - \$36/2litre

Colours - \$55/2 litre (colours include red, blue, yellow, purple, green and orange)

**Sponsorship:**

These stencils would not have been possible without the support of Malloch McClean Chartered Accountants and Business Advisors. As part of our agreement we have ensured Malloch McClean that schools are asked to acknowledge them in their school newsletter. Malloch McClean would also like to receive a copy of the newsletter along with any feedback and photos if applicable. Below is a splurb that your school may insert into your school newsletter along with the Malloch McClean and Sport Southland logo's.

".....**(Name of School)**..... would like to gratefully thank Malloch McClean Chartered Accountants and Business Advisors for supporting Sport Southland and sponsoring the playground stencils which have recently been painted throughout our school.

Opportunities to enhance the look of our school playground and to facilitate and develop active play for our school's children would not be possible without the generosity of regional organisations such as Malloch McClean."

Any queries please contact:

Alex Meijers  
Sport Southland

Email: alex.meijers@sportsouthland.co.nz

**Timetable:**

Below is the proposed timetable for schools to receive the stencils. We currently have 27 schools waiting to apply the stencils so we ask you to check the dates that your school is to receive the stencils and make sure that you are able to pick up and drop off the stencils to the proposed places on those dates. Please note that if you are unable to apply the stencils during this time you may be asked to go to the back of the waiting list, currently full through to June 2012.

**September – December 2011**

For those schools who are picking up stencils from other schools we ask you to contact the school prior to the day of pick up to arrange a suitable time and contact person however we do ask schools to stick to the usual Monday morning drop off – Monday afternoon pick up as much as possible. Schools have been 'clustered' to make it more convenient for the schools, eliminating travel to and from Invercargill in some circumstances.
